KIMBERLY CABLE,

Plaintiff,

vs.

PFIZER INC., et al.,

Defendants.

Case No.: CV 07-00879 SBA

**STIPULATION AND ORDER RE
EXTENSION OF ADR DEADLINE**

Trial Date: 3/2/09

1 Plaintiff Kimberly Cable and defendants Pfizer Inc., Pharmacia Corporation,
2 Pharmacia & Upjohn LLC, and Pharmacia & Upjohn Company LLC, hereby stipulate
3 to continue the date to hold an ADR session originally set for August 1, 2007 to
4 December 5, 2007. On May 5, 2007, the parties in this action filed a stipulation and
5 proposed order selecting an ADR Process in the form of private mediation with a
6 deadline of August 1, 2007. In support of this stipulation to continue the date of the
7 mediation to December 5, 2007, the parties hereby state as follows:

8 1. On April 10, 2007 plaintiff submitted a motion to the United States
9 Judicial Panel on Multidistrict Litigation (“JPML”) to consolidate this case with
10 Riddell v. Pfizer, et al., a class action pending in the District of New Jersey.
11 Opposition to this motion was filed by defendants on May 5, 2007. Oral argument on
12 the motion has been scheduled for July 26, 2007. See Declaration of Ann Marie
13 Mortimer ¶ 2, Exhibit “A.”

14 2. On June 8, 2007, plaintiff filed a motion to consolidate this action with
15 Winward v. Pfizer Inc., et al., CV 07-00878 SBA. On June 26, 2007, defendants filed
16 an opposition to plaintiff’s motion to consolidate concurrently with a cross-motion to
17 transfer this matter to the Middle District of Pennsylvania pursuant to 28 U.S.C. §
18 1404(a). Hearing on plaintiff’s motion to consolidate and defendants’ cross-motion to
19 transfer is currently scheduled for October 23, 2007.

20 3. Due to the motion to consolidate pending with the JPML and plaintiff’s
21 motion to consolidate and defendants’ cross-motion to transfer pending in the
22 Northern District, an August 1, 2007 ADR deadline is premature.
